

## “Let’s Chat about BioSciences”

- The *Let’s Chat About Biosciences* trade show is an opportunity for New Brunswick scientists and researchers to promote the new technologies and research being developed in the Province. Exhibitors are aiming at creating awareness for the general public as well as providing hands-on demonstrations of new technologies. The following New Brunswick companies, organizations and research institutions will participate in the *Let’s Chat About Biosciences* trade show:
  - BioPotato Network/Solanum Genomics
  - BioProspecting NB Inc.
  - Coastal Zone Research Institute
  - The Huntsman Marine Science Centre
  - Envirem Technologies
  - Environmental Proteomics
  - JD Irving
  - LuminUltra Technologies Ltd.
  - New Brunswick Research and Productivity Council
  - University of New Brunswick
  - Atlantic Dairy Forage Institute/Milk 2020
  - Sylvar Technologies/Canadian Forest Services - Atlantic Region
